Cursive Connectives Practice Review Worksheet

Practice These Connectives! This worksheet provides practice with connecting cursive letters that have been taught in **previous Units**. These clusters are for practice and may not be real words. Practice each set of connectives several times and be sure to leave a space between each set as shown in the example on line 1.

Handwriting practice lines for cursive connectives. Each set consists of four lines: a solid top line, a dashed middle line, a solid bottom line, and a solid baseline. Each set begins with a small cartoon character icon and a cursive letter cluster. There are 15 such sets of lines provided for practice.

Forward Slant, most commonly used by right-handed students.
