Dear Parents of all Cold Springs School Students,

The Cold Springs School will celebrate Halloween with a costume parade followed by class celebrations.

Students are invited to bring a costume to school on Thursday, October 31, 2019. Students will be given time in the afternoon to put on their costumes. **Children may not wear masks of any sort and should not have any sort of weapon such as swords, guns, etc.** Costumes should be “appropriate” for school age children and “easy” to put on with minimal assistance.

Beginning at 1:30 PM, the children will parade on the sidewalk in front of the Cold Springs School. Parents are invited to line the sidewalk on the road side, facing the building to view the parade. Children will then return to their classrooms and have their class celebrations.

Only parents who have made previous arrangements with the classroom teacher to volunteer will be permitted to enter the building.

Also, we again ask that parents abide by our request to have children dismiss the way they normally do each day, in order to maintain the safety and security of our children.

The parade, along with many unfamiliar people, can be overwhelming to some students, so we are requesting that **no costumes or masks be worn by parents or parade spectators. I know that our parents are behind us with regard to child safety and that you will be particularly cooperative and vigilant during this special event.**

Children will change from their costumes prior to dismissal.

If you do not wish your child to participate in Halloween activities, please contact your child’s teacher as soon as possible so that other arrangements can be made for your child.

Yours truly,

Mrs. Karen Kessler
Principal
